Education

From October 2008: PhD student in Cognitive Science at the Interdepartmental Center for Cognitive Studies of Language, University of Siena

2005/06 - 2006/07: MA degree in Linguistics, University of Siena. In my dissertation, I analyzed the acquisition of passives and unaccusatives in early Italian. I conducted an experiment in preschool children, testing comprehension and elicited production

2001/02- 2004/05: BA degree in Intercultural Studies (Languages: English and Spanish), University of Florence. My BA thesis was in Spanish Language. In particular, I described and studied the occurrence of *venga* in the corpus C-Oral Rom

2004: Erasmus Scholarship, Faculty of Philology, University of Barcelona (UB).

1996 - 2001: Secondary school - Liceo Scientifico "Pontormo", Empoli (Firenze)

Research Areas:

Language Acquisition (L1, L2), contemporary linguistic theories (Minimalism), psycholinguistics, neuroscience

Other Activities:

From 2007: I am collaborating with the Intercultural Centre of Empolese-Valdelsa (Centro Interculturale Empolese-Valdelsa / Agenzia per lo sviluppo) as a teacher of Italian as second language

May - September 2007: teacher of Italian language (L2), Master "Styles of Life", University of Perugia

Languages:

Italian (native speaker)

English (Fluent)

Spanish (Fluent)

French (Elementary)
