The On-line procedure is available since June 27th, 2018, 10.00 AM (CET).

If the Candidate is already registered, he can access his position by using the login username and password, if not, he has to follow the registration procedure, before accessing the on-line application. All requested documents helpful for the evaluation must be uploaded in PDF format.

At the end of the on-line procedure, the system will release a printable PDF document as proof of the correct end of the procedure. At the end of this procedure, no data can be modified in any way. Applications must be exclusively completed and submitted online at the web address: <https://segreteriaonline.unisi.it/Home.do>. Only application submitted on-line will be taken into consideration. Please follow the "Application instructions" available on <https://www.unisi.it/ricerca/dottorati-di-ricerca/dottorati-di-ricerca-xxxiv-ciclo>, and select the relevant doctoral programme.

Candidates can participate to more than one competition.

Art. 5 – Examination tests

Examination tests dates and composition of the Examination Committee for the admission procedure will be updated on the form of the selected Doctoral programme at least 15 days before. The dates published on the form are Official calls for the tests, no further call or communication on tests content will be sent to Candidates.

All information and advices related to the Competition will be published on the University dedicated web site.

To be admitted to the tests, Candidate must present himself on the indicated place, date and time, with a valid identification document, i.e. ID card, Passport, driver's license.

Oral tests, whether contemplate, can also be supported by Skype conference call. In this case, interested parties have to submit a specific request by communicating their skype name on the application form. They have to possess a webcam in order to permit the personal identification by the Examination Committee, based on the comparison between the scanned photo of the ID document indicated on the application form and uploaded during the on-line procedure.

The Candidate must be present at the date and time previously communicated by the Examination Committee, who has the faculty to agree with the Candidate a precise time to start the oral test, holding the same ID document communicated and uploaded during the on-line application procedure. Any missing

notice of the personal Skype name, lack of connection, failure exhibition of ID document, the missed presentation of the Candidate at the established date and time as previously indicated, causes the exclusion from the competition. The University of Siena declines any responsibility for the eventuality that technical reasons prevent the regular conduct of the oral interview.

Oral interviews, included distance interviews, are public.

Art. 6 – Rankings and enrolling to the PhD Courses

Rankings will be published on the web address: <https://www.unisi.it/ricerca/dottorati-di-ricerca/dottorati-di-ricerca-xxxiv-ciclo>, by selecting the reference Doctoral programme. This publishing is an official communication, so the winners will be not personal advised referring to the ranking list. Positions will be assigned based on those rank positions. If someone gives up the place, according to the position of the ranking, the next winning candidate will take his place. In case of contemporary presence of the same Candidate in more than one ranking list of the same Doctorate, the College of Professors will indicate the assignment priority. In case of contemporary presence of the same Candidate in the rankings of different Doctorates, the Candidate himself has to elect only one.

The Rector approves the Competition acts and the rankings and decrees with own act the admission of the Candidates to the Courses. Rankings and names of the admitted Candidates will be published in the webpage of the reference Doctoral programme. Duration of the courses is three years, beginning October 1st, 2018.

Being enrolled in a Doctoral programme is not compatible with contemporary enrollment in University degree or Master Degree and Active Training Internship. For other incompatibility not defined in this article, please refer to the current legislation.

Winners (with or without scholarship) must enroll, within the deadlines indicated on the webpage <https://www.unisi.it/ricerca/dottorati-di-ricerca/dottorati-di-ricerca-xxxiv-ciclo> and selecting the reference Doctoral programme, exclusively on-line, by using the dedicated procedure to enroll, at the web address: <https://segreteriaonline.unisi.it/Home.do>, some indications of how to enroll can be find at the page of the Doctoral programme: <https://www.unisi.it/ricerca/dottorati-di-ricerca/dottorati-di-ricerca-xxxiv-ciclo>.

Before the procedure is complete, on the “Payments” section will be possible to print the “MAV” bill, to pay by credit card or to be presented at any Postal or Bank office to be paid. No forwarding of the paper bill to the Offices is required, hold this for own personal use. Those admitted who do not comply with the foregoing are supposed deem they are renouncing.

The definitive completion of the enrollment is conditioned by the verification of the possession of the requirements for access to the course. Until such time, the registration is to be understood under condition.

Candidates with foreign academic qualification

Candidates who meet the requirements to enroll but hold a foreign academic qualification (for at least a four years programme) that has not been yet declared equivalent to an Italian qualification by an Italian university, must also attach an electronic copy of the following documents during the online enrollment procedure:

- copy of the original qualification awarded - translated and authenticated by the competent Italian Consulate or Embassy;
- a transcript, i.e. a certificate attesting to the qualification with a list of exams passed and grades, in

UNIVERSITÀ DI SIENA

1240

- Italian or in English – translated and authenticated by the competent Italian Consulate or Embassy;
- copy of any document that may be useful for assessing the suitability of the qualification (e.g. Diploma supplement)
 - copy of the Declaration of Value (Dichiarazione di valore “in loco”) issued by the competent Italian Consulate or Embassy abroad, in compliance with current norms on the admissibility of foreign students to degree programmes in Italian universities. The Declaration of Value must clearly indicate that the academic qualification allows access to doctoral programmes in the country in which it was awarded.

The original or authenticated copies of the documentation listed above must be presented to the Doctoral admission Office (Ufficio per il dottorato di ricerca) of the University of Siena within six months from the official start of the programme.

Candidates who do not present the documentation regarding the foreign qualification are admitted to the programme “conditionally”. They will be dismissed from the doctoral programme if they do not present the documentation within six months from the official start of the programme. They will also be dismissed if, on assessment of the documents, the qualification is considered not suitable for admission to the programme.

Non-EU candidates

Non-EU candidates who have passed the admission exam will be admitted to the courses as long as they have a permit to enter and reside in Italy and are legally residing in Italy; in this case they must present a copy of their passport and a valid residence permit issued by the competent authorities.

Non-EU citizens residing abroad must present a copy of their passport, entrance visa and residence permit for the purpose of study issued by the competent Questura (Police headquarters).

Places reserved for employees of companies engaged in highly qualified activities (Industrial Doctorate) or employees of public institutes and research centers engaged in highly qualified activities (with maintenance of salary)

Candidates must hold the qualification required for access to the doctoral program and must pass the selection for admission to the doctoral program. The seats will be assigned according to the order of the specific ranking. The methods of carrying out the research activity and the division of the employee's overall commitment are governed by the agreements aimed at activating these paths.

Public employees

Public employees admitted to PhD programs enjoy, for the period of normal course duration, the expectation provided for by collective bargaining or, in the case of employees under public law, extraordinary leave for study reasons, compatibly with the requirements of the administration, in accordance with article 2 of the law of 13 August 1984, n. 476, and subsequent amendments, with or without checks and unless explicitly waived, only if they are registered for the first time in a doctoral course, and regardless of the subject area.

In case of admission to the PhD without scholarship, or waiver of this, the person concerned on leave keeps the economic, social security and retirement benefits enjoyed by the public administration where the employment relationship is established (Law No. 448/2001).

Art. 7 - Scholarship

The annual scholarship is equal to € 15.343,00 and subject to the separate (INPS) social security

contribution account. Scholarships will be awarded after a comparative evaluation of merit.

In case of a scholarship funded by public or private Institutions outside the university, the scholarship will be awarded only in the presence of the corresponding funding.

Scholarships involving specific research bind the assignees to carry out this activity and to comply with the requirements.

The duration of the scholarship covers the entire duration of the course and will be paid by deferred monthly instalments. Should the PhD applicant waive the scholarship or the PhD programme, the University will simultaneously interrupt the payment of the scholarship.

PhD scholarships cannot be combined with other scholarships awarded for any purpose, except with those awarded by national or international institutes granted in order to integrate the educational or research activities of scholarship holders.

Those who have already used even part of a scholarship for a PhD course cannot benefit a second time.

Pegaso scholarship assignees – Regione Toscana

Pegaso regional scholarship assignees are required to sign the ESF registration form, the unilateral commitment statement which must clearly display the requirements, conditions, constraints and obligations necessary for acquiring and keeping the regional scholarship, including an explicit reference to the stay abroad. Copies of the unilateral commitment statement signed by the recipients must be transmitted to the Regione Toscana.

The doctoral recipients of regional scholarships must submit, at the end of the first and second year, as well as at the end of the three-year course, a report concerning the training activities attended and the research activities undertaken, the subject matter of the PhD dissertation, the main achievements, the time abroad and the degree of satisfaction.

Art. 8 - Taxes and contributions

PhD students without scholarships are required to pay the Regional Tax for University Study Fee of € 140.00 annually and to pay the stamp for the stamp duty of € 16.00, to be paid at the same time enrollment form with the form specifically downloaded (MAV) during the online procedure or by credit card.

The PhD students holding scholarships are required to pay the University tuition fee of € 340.00, the annual payment of the Regional Tax for the University Study of € 140.00 and the payment of the Government tax of € 16.00, to be paid at the time of enrollment with the form specifically downloaded (MAV) during the online procedure in a Bank or Postal Office or directly On-line by credit card.

Tax exemptions and contributions

Students with a recognized disability equal to or greater than 66% and the Doctorate student's winners or eligible for the A.Y. are exempted from paying university fees and regional tax 2018/2019 for the scholarship awarded by the Regional Company for the Right to Study of Tuscany.

Art. 9 - Students' attendance requirements

The duration of the PhD program is three years beginning October 1st, 2018.

The rights and duties of the doctoral students during the course attendance are governed by the Regulations on the Ph.D. program of the University of Siena.

The attendance of the research doctorate involves an exclusive and full-time commitment.

Art. 10 - Achievement of the title

The PhD degree is obtained by passing the final exam, after evaluation by two experts external to the doctorate.

The doctoral thesis must be filled directly by the interested parties, electronically, in the University Repository: *USiena-air* at the web address: <http://usiena-air.unisi.it/> in order to guarantee the automatic deposit at the National Libraries, too. The deposit is an indispensable condition for the closure of the career and the issue of the title.

In the case of the Pegaso grant holders, the preparation of the doctoral thesis in Italian or English is foreseen.

The title is joint with the University of Pisa and the University of Florence.

ART. 11 - Mendacious statements

Pursuant to art. 75 of the Presidential Decree of 12/28/2000 n. 445, without prejudice to the provisions of art. 76 in criminal matters, if the verification of the substitutive declarations of certifications reveals the non-truthfulness of the content of the same, the declarant forfeits any benefits consequent to the provision issued on the basis of the untruthful declaration.

Art. 12 – Responsible for the procedure and processing of personal data

The person in charge of the procedure is identified, pursuant to articles 4, 5 and 6 of law n. 241/1990 and subsequent modifications, in the person of Chiara Roscino, head of the Research Doctorate Office. The personal data provided by the candidates will be collected at the University of Siena for the purposes of managing the competition and will be processed in an automated form in accordance with the current legislation to which reference is made for anything not specified in this announcement.

Art. 13 – Advertising of the announcement

This announcement will be published at <https://www.unisi.it/ricerca/dottorati-di-ricerca/dottorati-di-ricerca-xxxiv-ciclo> and advertised electronically on the University of Siena website, on the website European Euraxess and on the Ministry's one.

The present announcement and the rankings will also be published on the official University board <http://albo.unisi.it>

Art. 14 – Final provisions

What is not provided for in the present call for applications, reference is made to the University Didactic Regulations and to the Regulations concerning research Doctorates of the University of Siena and to the relevant national legislation.
