COMPARATIVE SELECTION FOR N. 1 FIXED TERM JUNIOR RESEARCH ASSOCIATE – ART. 24, PARAG. 3, LETTER A) OF LAW NO. 240 DATED 30 DECEMBER 2010 – FULL TIME - THREE-YEAR TERM
(DDG register no. 1106/2017, prot. n. 122063 – VII/1 dated 03.11.2017)

DEPARTMENT OF SCIENZE MEDICHE CHIRURGICHE E NEUROSCIENZE

<u>n. 1 POSITION</u>
Academic recruitment field: 06/D2 Endocrinology, Nephrology, Food and Wellness Science Academic discipline: MED 13 Endocrinology and Metabolism
Research Project: "New molecular markers for the differential diagnosis of thyroid nodules" Scientific Head: Prof. Furio PACINI
Research activities: Thyroid nodules are quite common in the general population with a prevalence of about 4-7%. The gold standard for differential diagnosis between benign and malignant nodules is cytological examination (FNAC). However, some lesions remain indeterminate, and even the combination of cytology with the search for specific genetic alterations does not allow to diagnose 100% of the cases. Based on these observations, emerges the need to develop new possible diagnostic markers of thyroid cancer. To this end, we will analyze the levels of expression of circulating miRNAs and miRNA from fine needle aspiration biopsies which will be correlated with cytological diagnosis, the presence/absence of specific mutations and the number of circulating tumor cells to identify the combination of tests with higher diagnostic power in the differential diagnosis of thyroid nodules.
Hours of classroom teaching each academic year: 60
Foreign requested language: ENGLISH - Level of proficiency: Good
Preferential titles: PhD in Molecular Medicine, Specialty degree in Clinical Biochemistry, at least 7 years of experience in the field of Endocrinology
Maximum of scientific publications: 20
Relief activities: With assistance activities

ADMISSION REQUIREMENTS

Applications for the comparative selection procedure are accepted from candidates holding a PhD or equivalent completed in Italy or abroad, or a diploma of medical specialization in the relevant area(s)

In this case the PhD or equivalent qualification constitutes an advantage.

Applications are also accepted from non-EU citizens who meet the admission requirements stated above.

In relation to qualifications obtained abroad, it is necessary to attach the above-mentioned academic equivalence of the educational qualification in accordance with art 38 of Legislative Decree no 165/2001, or the certificate of equipollence with the PhD title in accordance with Italian University regulations issued pursuant to Paragraph 74 of Presidential Decree 382/1980, or the application for the request of the equivalence/equipollence certificate.

In the latter case, applicants will be provisionally admitted to the call, it being understood that the academic equivalence/equipollence certificate must be in their possession at the time of recruitment.

Candidates must be in possession of the requirements for admission to the selection procedure by the deadline of this call.

All candidates are admitted to the selection procedure conditionally, reserving the right to verify that they meet the requirements for admission to the selection procedure. The administration can, at any time and with justifiable reason, exclude candidates who fail to meet the selection requirements.

Applications cannot be accepted from the following people: retired or currently employed full or associate University professors or researchers; those who have a relationship of consanguinity or affinity up to and including the fourth degree with a professor employed at the Department proposing the activation of the contract, or with the Rector, the Registrar or a member of the University Council.

Application Procedure

Applications for admission to the procedures and the documents indicated below must be lodged by certified email to rettore@pec.unisipec.it or email to concorsi@unisi.it within 30 days starting the day after the publication of this call in the *Gazzetta Ufficiale della Repubblica Italiana*.

Proof of receipt will be considered as: for applications sent by certified email (PEC) rettore@pec.unisipec.it - the date of the delivery receipt sent automatically by the system; for those sent by email: concorsi@unisi.it, the date of the University terminal that receives them. The University administration declines any responsibility for non-receipt of applications due to third party liability. To check whether an application has been received and is deemed complete, candidates can contact the University's *Servizio Concorsi e Procedimenti Elettorali* (tel. + 39 0577 235060 - 235058 - 235059). Applications must be accompanied by a copy of the candidate's identity document under art. 38 of Presidential Decree no. 445 of 28 December 2000.

Applications must be compiled according to the enclosed model (Annex A), providing all the information required.

Candidates must enclose with the application:

Documents written in a foreign language other than English, French, German and Spanish, must be accompanied by an Italian translation, certified as true to the original text by the competent diplomatic or consular representation, or by an official translator.

EXAMINING COMMISSION

The Examining Commission is composed of three full professors or researchers (including one from outside the University of Siena) belonging to the academic recruitment field or to a academic discipline in the same group of academic recruitment fields.

Prior to the start of the selection, the candidate must declare under his/her own responsibility, pursuant to article 7 of the University Code of Ethics, that he/she does not have a relationship of consanguinity or affinity up to and including the fourth degree with any member of the Committee, and that the Committee does not include his/her spouse or partner or any persons with whom he/she has business relations

EVALUATION OF QUALIFICATIONS, PUBLIC INTERVIEW AND ORAL EXAM

The selection is made by through a preliminary evaluation of candidates and a reasoned analytical judgment of their academic qualifications, curriculum and scientific productivity, including their doctoral thesis, if applicable, based on the criteria and parameters specified in Ministerial Decree 243 dated 25.05.2011 (Annex C).

Following the preliminary evaluation, the top 10 to 20 per cent of the most merit-worthy candidates, and in any case no less than six, will be admitted to a public interview with the Commission concerning their qualifications and scientific work. If only six or less candidates apply, all of them will be admitted to the interview.

On the same occasion as the interview, candidates will be required to take an oral exam in a foreign Language, to ascertain their proficiency, as declared in their academic qualifications. Candidates who do not pass the oral exam are not considered eligible.

Should the candidates be foreign nationals, they must demonstrate an adequate knowledge of the Italian language during the interview.

Following the interview, a score is given to the qualifications and each publication presented by the candidates who have passed the oral exam, according to criteria established in advance by the Commission itself.

The Commission writes up a report at the end of each individual meeting.

A notice inviting candidates for the interview and oral exam will be sent to the individual candidates at least fifteen days before the date of the interview and exam. This notice need not be given fifteen days in advance if all candidates admitted to the selection provide their explicit written consent.

Candidates must bring their identity document.

EU nationals must bring their passport or identity document issued by their country of origin. Candidates from non-EU countries must only bring their passport.

RANKING LIST AND PROPOSAL OF EMPLOYMENT

Upon completion of the selection procedure, the Commission draws up a ranking list of eligible candidates. This list is valid for two years.
