NOTICE FOR SELECTION 2017/2018 - Bando 2
Attachment A**

LATIN AMERICA

● **BRAZIL** ●

UNIVERSIDADE DE BRASÍLIA (Brazil, Federal District)

2 available spots, each for a single term

Students from the University of Siena enrolled in an undergraduate or graduate program, the university's old degree program, or Ph.D. programs are eligible to apply to this exchange program. Please note that not all partner universities accept post-graduate students.

Selected students will be exempt from university fees of the host university. Costs of travel, food, housing, and health insurance will be the responsibility of the student.

Selected students may use this period at the Universidade de Brasilia for study and/or research. Enrollment into courses may be subject to restrictions. Exchange students may not register for courses in medicine.

Upon arrival, students must have knowledge up to the intermediate level of the Portuguese language.

Acceptance to the Universidade de Brasilia is subject to approval by the host university and the release of the necessary visa by the Brazilian Consulate.

For more information, please consult the following webpage: www.int.unb.br
<http://cgroma.itamaraty.gov.br/it/visti.xml> (info su visto)

UNIVERSIDADE FEDERAL DE MINAS GERAIS (Belo Horizonte, Minas Gerais)

4 available spots, each for a single term

Students eligible for selection are:

- Students at the University of Siena who are enrolled in the regular undergraduate program or a special degree program, graduate or single cycle;
- Students at the University of Siena who are enrolled in the old undergraduate program;
- Students at the University of Siena who are enrolled in a Ph.D. program. Please note that not all partner universities accept post-graduate students.

Selected students will be exempt from university fees of the host university. Costs of travel, food, housing, and health insurance will be the responsibility of the student.

The cost of an apartment will be around 500 USD a month, while a stay in a hostel will cost around 50 USD a day.

Enrollment into courses may be subject to restrictions. Admission into Ph.D. or other types of post-graduate programs are subject to approval by the relevant departments of the host university.

For more information, please consult the following webpage: <http://www.ufmg.br>

Upon arrival, students must have knowledge up to the intermediate level of the Portuguese language. However, at the beginning of each semester there is the option of enrolling in Portuguese language courses. For more information on language classes: www.letras.ufmg.br/cenex (proficiencia@dri.ufmg.br)

Acceptance to the Universidade Federal de Minas Gerais is subject to approval by the host university and the release of the necessary visa by the Brazilian Consulate.

UNIVERSIDADE FEDERAL FLUMINENSE - Niteroi, RJ

1 available spot, for a single term

Students eligible for selections are:

- Students at the University of Siena who are enrolled in the regular undergraduate program or a special degree program, graduate or single cycle;
- Students at the University of Siena who are enrolled in the old undergraduate program
- Students at the University of Siena who are enrolled in a Ph.D. program. Please note that not all partner universities accept post-graduate students.

Selected students will be exempt from university fees of the host university. Costs of travel, food, housing, and health insurance will be the responsibility of the student.

Classes and exams will be in Portuguese, so an adequate knowledge of the language is required. Upon arrive, students will have the opportunity to participate in Portuguese language courses.

Enrollment into courses may be subject to restrictions. Admission into Ph.D. or other types of post-graduate programs are subject to approval by the relevant departments of the host university.

Acceptance to the Universidade Federal Fluminense is subject to approval by the host university and the release of the necessary visa by the Brazilian Consulate.

For more information, please consult the following webpage: www.uff.br

FUNDAÇÃO ARMANDO ALVARES PENTEADO (São Paulo)

2 available spots, each for a single term

Students eligible for selections are:

- Students at the University of Siena who are enrolled in the regular undergraduate program or a special degree program, graduate or single cycle;
- Students at the University of Siena who are enrolled in the old undergraduate program

Selected students will be exempt from university fees of the host university and will be placed with families associated with the Foundation free of charge. Costs of travel, food, housing (different than that provided by the university) and health insurance will be the responsibility of the student.

A good understanding of the Portuguese language is recommended. However, upon arrival, all students will have the opportunity to enroll in intensive language classes (with a fee), which will be held before the beginning of each semester (<http://www.faap.br/english/home/second.asp>). For those who wish to enroll in course taught exclusively in English, an adequate knowledge of the English language is required.

Enrollment into courses may be subject to restrictions.

Acceptance to the FAAP is subject to approval by the host university and the release of the necessary visa by the Brazilian Consulate.

For more information, please consult the following webpages:

<http://www.faap.br/english/home/exchange.asp>

<http://www.faap.br/english/home/english.asp>

UNIVERSIDADE DE SÃO PAULO (São Paulo)

6 available spots, each for a single term

Students eligible for selections are:

- Students at the University of Siena who are enrolled in the regular undergraduate program or a special degree program, graduate or single cycle;
- Students at the University of Siena who are enrolled in the old undergraduate program
- Students at the University of Siena who are enrolled in a Ph.D. program. Please note that not all partner universities accept post-graduate students.

Selected students will be exempt from university fees of the host university. Costs of travel, food, housing, and health insurance will be the responsibility of the student. The university will assist scholarship recipients with finding appropriate housing.

All classes will be taught in Portuguese, therefore it is necessary to have an adequate knowledge of the language at least up to the intermediate level. However, all students will have the opportunity to also enroll in language courses.

Enrollment into courses may be subject to restrictions. Admission into Ph.D. or other types of post-graduate programs are subject to approval by the relevant departments of the host university.

Acceptance at the Universidade de São Paulo is subject to approval by the host university and the release of the necessary visa by the Brazilian Consulate.

For more information, please consult the following webpage: <http://www.usp.br/ccint>

UNIVERSIDADE DE SÃO PAULO (São Paulo)

4 available spots, each for a single term

(1/2 at the Department of Dentistry at São Paulo; 1/2 at the Department of Dentistry at Bauru)

Students eligible for selection are those enrolled in degree courses for dentistry and prosthesis registered at the University of Siena before the 2009/2010 academic year and those enrolled in Ph.D. programs at graduate schools in related departments to the University of Siena.

Selected students will be exempt from university fees of the host university. Costs of travel, food, housing, and health insurance will be the responsibility of the student. The University will assist scholarship recipients with finding appropriate housing.

Students can use the period of mobility at the Universidade de São Paulo to develop teaching and research projects agreed on between the convention on reconstructive prosthetic issues.

Acceptance at the Universidade de São Paulo is subject to approval by the host university and the release of the necessary visa by the Brazilian Consulate.

For more information, please consult the following webpage:

<http://www.ektu.kz/ektukz.aspx?lang=en>

RUSSIA

LOBACHEVSKY STATE UNIVERSITY

2 available spots, each for a single term

Students eligible for selection for this program are those enrolled in the undergraduate or graduate programs in the following areas: Information Technology, International Relations, Finance, Economics, Management and Governance, Mathematics Computer Engineering and Information, Electronics and Communication Engineering, and Computer and Automation Engineering.

Candidates must satisfy the requirements for admission of the host university, in particular those concerning language competency (Level B2 in English and intermediate level of Russian).

Some departments offer courses in English. We recommend you verify this on the Russian university's webpage.

Participants will pay taxes and any fees to their home university, and are exempt from those of the host university.

Upon verification of available funding of the host university, students of the University of Siena participating in a mobility program at Lobachevsky State University may be located in university residence halls. Costs of travel and health insurance for accident and liability are the responsibility of the participant. Students are also responsible for the cost of books, passports and other personal costs.

All participants of the exchange program must have a valid passport and visa for the entire period of stay. The host university will provide all necessary documents to apply for a visa for entry.

Students must abide by the laws and practices of the host university and follow the guidelines and regulations of the host university.

For more information, please consult the following webpage:

www.fis.unn.ru

TOMSK STATE UNIVERSITY

3 spots per semester

Students eligible for selection are those enrolled in graduate or Ph.D. programs.

Candidates must satisfy the requirements of admission of the host university, specifically the language competency requirement.

Some departments offer courses in English (we recommend you verify this on the Russian university's website http://en.tsu.ru/admission/programmes_in_english.php).

Selected students will be exempt from university fees of the host university. Costs of travel, food, housing, and health insurance for illness will be the responsibility of the student. Upon verification of available funds by the host university, students of the University of Siena may be located in university residences at about 10 euro a day. Participants will be responsible for the costs of books, passports, and other personal costs.

All participants of the exchange program must have a valid passport and visa for the entire period of stay. The host university will provide all necessary documents to apply for a visa for entry.

Students must abide by the laws and practices of the host university and follow the guidelines and regulations of the host university.

For more information, please consult the following webpages:

<http://en.tsu.ru>

http://en.tsu.ru/international_cooperation/visa_to_russia.php (info su visto)

STATI UNITI

● CONNECTICUT ●

UNIVERSITY OF CONNECTICUT - LAW SCHOOL, Hartford

1 available spots, each for a single term

Students eligible for selection are students enrolled in the degree program for law at the University of Siena, who have already completed at least two years of study within the program.

Selected students will be exempt from university fees from the host university. Cost of travel, meals, lodging, and health insurance will be the responsibility of the participant. The responsible department at the University of Connecticut will assist students in finding appropriate housing.

Students must have a certificate proving the completion of the TOEFL exam (Test of English as a Foreign Language) with grades no lower than the minimum requirement of the host university (PBT 585, CBT 240, IBT 90-100, equivalent documents will not be accepted) and must demonstrate possession of these documents by the deadline indicated by the host university.

Acceptance to the University of Paulo is subject to approval by the host university and the release of the necessary visa by the American Consulate.

For more information, please consult the following webpage.

<http://www.law.uconn.edu/>

● OKLAHOMA ●

UNIVERSITY OF OKLAHOMA

6 available spots, each for a single term

Selection is reserved exclusively to undergraduates or graduate students enrolled in the department of education, humanities, and intercultural communication based in Arezzo. Please note, however, that acceptance of post-graduate students must be approved by the relevant department of the host university.

Accepted students will be exempt from university fees at the host university.

It is possible for students who are adequately prepared to carry out a supportive educational role in Italian language courses offered at the University of Oklahoma. This activity would be compensated according to the criteria of the university. Upon verification of available funds, the University of Oklahoma will offer around \$1000 each to three students to fill the role of Teaching Assistants.

The offices at the University of Oklahoma offer assistance in finding lodging for all exchange students and have access to discounted rental rates. The costs of travel, meals, housing, and health insurance are the responsibility of the student.

Selected students must have a certificate to prove they have passed the TOEFL exam with the following minimum scores:

- Requirements to enroll in undergraduate courses:
TOEFL: PBT: 500; IBT 61
IELTS: 6.0
- Requirements to enroll in postgraduate courses:
TOEFL: PBT 550; IBT 79
IELTS: 6.5

Acceptance to the University of Oklahoma Paulo is subject to approval by the host university and the release of the necessary visa by the American Consulate.

For more information, please consult the following webpage:

<http://www.ou.edu/>

● FLORIDA ●

UNIVERSITY OF WEST FLORIDA - Pensacola

2 spots for a single semester

Students eligible for selection must be enrolled in undergraduate programs in Economics and Banking and graduate degree programs in International Science at the University of Siena and must have completed at least one year of study within their program.

The selected students are exempt from paying university fees at the host university. Costs of travel, food, housing, and health insurance will be the responsibility of the student. Participants will also be responsible for the costs of books, passports, and other personal costs.

Participants must have insurance coverage that complies with the requirements of the host institutions. Insurance is the responsibility of the exchange student, who may be exempt from the mandatory insurance by the host institution after providing proof of an equivalent form of insurance already held by the participant.

Selected candidates must satisfy the admission requirements of the host university, in particular the requirement concerning language competency.

The host university will inform candidates as soon as possible about their final acceptance.

All participants must have a valid passport and visa for the entire length of the mobility period. The host university will provide all necessary documents to apply for the visa.

Students from the University of Siena studying at the University of West Florida will be located, free of charge, with local families. This housing will be available approximately three days before the start of the semester to the day after the last day of the semester. Students will also have access to the university's dining facilities with a series of meals at variable costs depending on the meal plan.

At the University of West Florida, students from the University of Siena may attend courses within their undergraduate and graduate degree programs, while master students and other types of post-degree students must be approved by the coordinator.

At the end of the academic year, students will receive certification of their work, listing the specific credits and courses successfully completed.
