

ERASMUS+ traineeship at Corvinus University of Budapest

- BE PART OF A GREAT CHALLENGE! -

ABOUT US

Corvinus University is one of the most famous and prestigious economic universities in Hungary, located just in the heart of Budapest.

The Research Directorate of our Business School is engaged in organising scientific events, communicate research-oriented news and information, coordinate research support mechanisms at Corvinus Business School, etc. We are responsible for organising research activities at the Faculty.

We are a dynamic team of 4 colleagues who are very passionate about their job.

We are always open to working with zealous students. We usually have around 1-2 interns in the same time, mostly Hungarians. We are working with international partners in organising research events and communicate to our partners in english about our scientific results and outputs. We are engaged in science communication at international level.

If you are an open-minded person who is ready to get into science communication and want to bring something new to our office and institution, read this job advertisement below and consider our offer! 😊
