SELECTION PROCEDURE TO RECRUIT 4 FULL PROFESSORS BY CALL FOR APPLICATIONS PURSUANT TO ART. 18 CO. 1 - LAW N. 240 OF 30 DECEMBER 2010 AND REGULATION FOR THE RECRUITMENT OF FIRST AND SECOND LEVEL LECTURERS - ABSTRACT

ART. 1 – ASSESSMENT PROCEDURE

DEPARTMENT OF SCIENZE STORICHE E DEI BENI CULTURALI

N. 1 POSITION

Academic recruitment field: 10/A1 Archaeology

Academic discipline: L-ANT/10 Methods of archaeological research

Maximum of scientific publications to submit: 15

Specific research functions

The professor must ensure research activities in a national and international contest, conducting them both at an individual level and through participation in public calls and/or collaboration with private entities. This pertains to projects in the field of knowledge, protection, and enhancement of archaeological and monumental heritage from Antiquity to Late Antiquity. The professor will also take on a role in directing, coordinating, and guiding the projects. Additionally, the professor will be required to actively engage in institutional activities and the so-called third mission of the Department.

Specific teaching functions

Within the allotted teaching hours for full professors, the professor must deliver their lectures in the courses (undergraduate and graduate) offered by the DSSBC, according to the annually approved schedule. This also includes the Specialization School in Archaeology at the DSSBC, specifically in the teachings of SSD L-ANT/10 - Methodology of archaeological research, with a particular focus on: the History of archaeological thought, Theory and methodology of archaeological research, and the Study and reconstruction of landscapes from the past, in line with the didactic needs of the DSSBC.

Evaluation criteria will include: continuity of research activity; congruence of scientific production with the themes of the SSD specified in the call and the required teaching functions; experience in managerial and organizational activities.

DEPARTMENT OF FILOLOGIA E CRITICA DELLE LETTERATURE ANTICHE E MODERNE

N. 1 POSITION

Academic recruitment field: 10/D3 Latin language and literature

Academic discipline: L-FIL-LET/04 Latin language and literature

Maximum of scientific publications to submit: 15

Specific research functions

The successful candidate will conduct research in line with the demands of SSD L-FIL-LET/04 "Lingua e letteratura latina" understood as the historical-critical and philological study of Latin texts, with special consideration to the system of literary genres (poetry, theatre, narrative) and the literature of the Imperial Age and of Late Antiquity. The successful candidate will have gained a considerable reputation in the field of the historical study of Latin literature at both national and international level by demonstrating hermeneutic

efficacy, methodological rigour, and excellent linguistic and philological skills. He/she will be committed to submit high standard work to publishers of both national and international standing, and to apply for research funding from relevant financing bodies in competitive open calls.

Specific teaching functions

The successful candidate will be involved in the teaching of modules in the BA degree course in “Studi letterari e filosofici” and in the MA degree course in “Lettere classiche” (Siena). Lectures and seminars will ordinarily fall within the remit of the SSD “Lingua e letteratura latina”; however, if requested by the Department, he/she might be asked to teach modules on cognate subjects. He/she will participate in the running of the degree course in “Studi letterari e filosofici” by coordinating the activities associated with written examinations and the Latin certification.

DEPARTMENT OF FILOLOGIA E CRITICA DELLE LETTERATURE ANTICHE E MODERNE

N. 1 POSITION

Academic recruitment field: 10/D4 Classical and late antique philology

Academic discipline: L-FIL-LET/05 Classical philology

Maximum of scientific publications to submit: 15

Specific research functions

The successful candidate will conduct research in line with the demands of SSD L-FIL-LET/05 “Filologia classica”, which entails the philological and cultural study of ancient literature – understood as including Late Antiquity and Byzantine literature as well – with special consideration for the study of the ancient world in an anthropological perspective. The successful candidate will have gained a considerable reputation in the field of classical studies at both national and international level by demonstrating hermeneutic efficacy, methodological rigour, and excellent linguistic skills. He/she will be committed to submit high standard work to publishers of both national and international standing; to participate in national and international research projects within the remit of the relevant discipline; and to apply for research funding from relevant financing bodies in competitive open calls.

Specific teaching functions

The successful candidate will be involved in the teaching of modules for the degree courses in “Studi letterari e filosofici” and “Lettere classiche” (Siena). Lectures and seminars will ordinarily fall within the remit of the relevant SSD; however, if requested by the Department, he/she might be asked to teach modules on cognate subjects. He/she will participate in the running of the degree course in “Studi letterari e filosofici”. More particularly, he/she will coordinate the curriculum in “Lettere classiche” and contribute to outreach activities as well as the induction programme for new students.

DEPARTMENT OF FILOLOGIA E CRITICA DELLE LETTERATURE ANTICHE E MODERNE

N. 1 POSITION

Academic recruitment field: 10/F4 Literary criticism and comparative literature

Academic discipline: L-FIL-LET/14 Literary criticism and comparative literature

Maximum of scientific publications to submit: 15

Specific research functions

UNIVERSITÀ DI SIENA

1240

The successful candidate will conduct research in line with the demands of SSD L-FIL-LET/14, "Critica letteraria e letterature comparate", with consideration to the theory and comparative history of modern literatures as seen in both their foundational aspects (literary genres, long-lasting themes) and in relation to contemporary imagery and research fields that are central to current international debates, such as, e.g., the post-human approach and intermediality. The successful candidate will have gained a considerable reputation among the community of scholars working on the theoretical-comparative dimension of literary studies. He/she will also be expected to submit high standard work to publishers of both national and international standing; to participate in national and international research projects; and to apply for research funding from relevant financing bodies in competitive open calls.

Specific teaching functions

The successful candidate will be involved in the teaching of modules for the BA degree courses in "Lingue per la Comunicazione interculturale e d'impresa" (located in Arezzo) and "Studi letterari e filosofici" (located in Siena), as well as for the MA degree courses in "Lingue per l'impresa e lo sviluppo" (Arezzo) and in "Lettere moderne" (Siena). He/she will also contribute to the didactic activities of the doctoral programme in "Filologia e critica". Lectures and seminars will ordinarily fall within the remit of the relevant SSD; however, if requested by the Department, he/she might be asked to teach modules on cognate subjects.

Art. 2 – REQUIREMENTS FOR ADMISSION TO THE PROCEDURE

1. The procedure is open to the following candidates:
 - a) candidates who they have received a national scientific qualification for the academic recruitment field or one of the academic recruitment fields included in the same group of academic recruitment fields, and for the position advertised in this call;
