Type of rankings	<ul style="list-style-type: none"> One ranking list for curriculum "Filologia medievale" - 3 positions, of which: 1 position with UniPI scholarship, 1 position with Regione Toscana/Pegaso scholarship and 1 position with UnistraSI ex DM 118 scholarship One ranking list for curriculum 2 "Letterature moderne" - 3 positions, of which 1 position with UnistraSI ex DM 118 scholarship and 2 positions with Regione Toscana/Pegaso scholarship One ranking list for curriculum 3 "Antropologia del mondo antico" – 2 positions, of which 1 with UniSI scholarship and 1 with Regione Toscana/Pegaso scholarship One ranking list for students with a degree from a foreign University: 1 position with DFCLAM/ECCELLENZA scholarship One ranking list for the specific research topic - Lessicografia web based dell'italiano antico - 2 positions, of which 1 with CNR/OVI scholarship and 1 with Regione Toscana/PEGASO scholarship One ranking list for 1 position with MUR/UniSI ex DM 118 scholarship – Cultural Heritage - Archivio Franco Fortini One ranking list for 1 position with MUR/UniSI ex DM 118 scholarship – Cultural Heritage - Antropologia del mondo antico a S. Casciano dei Bagni One ranking list for 1 position with MUR/UniSI ex DM 118 scholarship – <i>Digital humanities</i> (the project can range from the Middle Ages to the contemporary age) <p>N.B.: It is possible to apply for more than one position. Applicants for the curricula "Filologia medievale" or "Letterature moderne" with an adequate profile are also invited to apply for</p>
------------------	--

	<p>the positions with specific subjects " Lessicografia web based dell'italiano antico" or "Archivio Franco Fortini".</p> <p>Should no candidate be successful in any of the curricula, the scholarship will be awarded to the successful candidate with the highest score in any of the other curricula with no specific research topic.</p>
Documents required for evaluation (to be attached during online application)	<ul style="list-style-type: none"> • Curriculum vitae et studiorum, containing a statement of the access title held with the issuing institution in addition to a list of any publications • Research project (10 pages max.) • Reference letters (no more than two) of Italian and international academics and/or research professionals (letters shall not be uploaded, but e-mail addresses of the contact persons are to be provided) • Abstract of the thesis Laurea Magistrale/Specialistica/vecchio ordinamento or equivalent foreign degree translated into Italian or English (max 2 pages, also for candidates who obtain the degree by 31 October 2023). <p>Eligibility of foreign degrees (to be translated into Italian, English or French) is ascertained by the selection committee in accordance with relevant regulations and international agreements on the recognition of qualifications for further studies.</p> <p>Candidates who obtained (or will obtain by 31 October 2023) the diploma di laurea at an Italian university have to provide, in their curriculum, all the information about the university career and the title of admission, in particular:</p> <ol style="list-style-type: none"> 1. University issuing the title 2. type of laurea – vecchio ordinamento/specialistica/magistrale; 3. degree course name 4. list of examinations with votes 5. date of obtaining the title and final vote or expected date of obtaining the title (by 31 October 2022). <p>Candidates who obtained (or will obtain by 31 October 2023) their degree at a foreign university (with a duration of at least four years) must specify in their curriculum:</p> <ol style="list-style-type: none"> 1. University issuing the title 2. type of degree (min. duration four years) – Bachelor's degree/ Master's degree 3. date of obtaining the title and final vote or expected date of obtaining the title (by 31 October 2023). <p>Candidates with a foreign degree must attach to the online presentation the following documentation:</p> <ul style="list-style-type: none"> • transcript – certification of the title with the list of exams and votes – with a translation in Italian or English • Diploma supplement (if available)
Web site for further information	<p>https://www.dfclam.unisi.it/it/ricerca/dottorati-di-ricerca/filologia-e-critica/presentazione</p>
Selection modalities	<p>For curricula "Filologia medievale", "Letterature moderne" and "Antropologia del mondo antico" and for the positions on research topics ex DM 118</p> <ol style="list-style-type: none"> 1) Evaluation of CV and research project 2) Written text 3) Interview <p>For the position reserved to students with a degree from a foreign university:</p> <ol style="list-style-type: none"> 1) Interview (normally held remotely) 2) Evaluation of CV and Research Project <p>Should no candidate for the position reserved to students with a foreign degree obtain eligibility, the scholarship will be assigned to an eligible candidate in one of the other ranking lists for the present procedure (see Regolamento in materia di dottorato, art. 9.7).</p>
Admission requirements	<p>All masters' degrees (lauree magistrali, specialistiche, a ciclo unico e vecchio ordinamento)</p> <p>Perfect knowledge of the Italian language (mother tongue or C2 level).</p>

Exam procedures	<p>The overall score is given by the sum of scores achieved in the single evaluations and exam(s). The minimum score for eligibility is 60/100. All eligible candidates must achieve the minimum score for eligibility in each evaluation.</p> <p>A. EVALUATION AND TESTS (all ranking lists EXCEPT the position reserved to candidates with a foreign degree)</p> <p>EVALUATION OF CV AND RESEARCH PROJECT The Commission will examine all applications received. The presence of candidates is not allowed during the evaluation. The evaluation of titles (cv, abstract of the master’s thesis, letter/s of references) and of the research project, will be carried out according to the following criteria:</p> <ul style="list-style-type: none"> - up to a maximum of 6 points for the CV; - up to a maximum of 15 points for the research project, - up to a maximum of 4 points for letter/s of references, - up to a maximum of 5 points for the MA thesis abstract. <p>Minimum score for eligibility: 18 / maximum score: 30</p> <p>WRITTEN TEXT For all curricula, positions on research topics and scholarships ex DM 118: Text analysis Candidates will have to prove their historical, philological, critical, and methodological competence through the analysis and commentary of a text in verse or prose among the following scholarly fields: Old Greek or Latin literature; medieval (germanic, romance and latin) literatures; modern European literatures. Candidates may choose from a list of texts.</p> <p>Minimum score for eligibility: 25 / maximum score: 40</p> <p>INTERVIEW The interview is aimed at verifying the candidates’ research skills. Thus, in addition to discussing the written test and completing the assessment of methodological competence, it will focus on the research project. Candidates living abroad who can certify their impossibility to be present at the interview may request to hold it remotely via videoconference. In the latter case, the University of Siena does not assume responsibility for incomplete tests due to technical failures. The Committee will ensure the regularity of the online procedure through an identity check and a correct interview.</p> <p>The interview for the positions on the research topics “Lessicografia web based” and ex DM 118 “Cultural Heritage” and “Digital Humanities” aims at verifying the willingness to accept the research topic and the skills to carry it out.</p> <p>For all applicants, the interview will include the assessment of the candidates’ knowledge of a second foreign language other than English (selected among French, German and Spanish).</p> <p>Minimum score for eligibility: 17 / maximum score: 30</p> <p>B. EVALUATION AND TEST FOR THE POSITION RESERVED TO CANDIDATES WITH A DEGREE OBTAINED IN A FOREIGN INSTITUTION</p> <p>INTERVIEW The interview is aimed at verifying the candidates’ research skills and will mainly consist in a discussion of her/his research project. It will be held remotely via videoconference unless the candidate requests to be interviewed in presence. The University of Siena does not assume responsibility for incomplete tests due to technical failures. The Committee will ensure the regularity of the online procedure through an identity check and a correct interview.</p>
-----------------	--

	<p>Minimum score for eligibility: 25 / maximum score: 40</p> <p>EVALUATION OF CV AND RESEARCH PROJECT The evaluation will be carried out by the Committee after the interviews and will concern only the candidates who have obtained the minimum score. The presence of candidates is not allowed during the evaluation. The evaluation of titles (cv, abstract of the master’s thesis, letter/s of references) and of the research project, will be carried out according to the following criteria: - up to a maximum of 12 points for the CV; - up to a maximum of 30 points for the research project, - up to a maximum of 8 points for letter/s of references, - up to a maximum of 10 points for the MA thesis abstract. Minimum score for eligibility: 35 / maximum score: 60 The results of each test will be published on the PhD web site: https://www.dfclam.unisi.it/it/ricerca/dottorati-di-ricerca/filologia-e-critica/ammissione</p> <p>EVALUATION OF CV AND RESEARCH PROJECT The evaluation will be carried out by the Committee after the interviews and will concern only the candidates who have obtained the minimum score. Second selection notice for admission to PhD courses – 39th cycle
Annex 13

PhD in	Scienze della Vita – Life Sciences Administrative seat Università degli Studi di Siena - in cooperation with Università di Pisa, Università di Firenze and CNR-IBE
Coordinator	Simona Maccherini , simona.maccherini@unisi.it
Department	Scienze della Vita (DSV)
Attendance	mandatory
Open positions	17
Of which:	

	n.	Funding institution(s)	Research topic
Positions with scholarship			
A.	1	Università di Siena	Proteomic analysis for biomarkers and molecular pathways identification for the diagnosis, treatment and monitoring of rare and infective diseases (ProRareInf)
B.	1	Università di Siena	High-resolution surface morphometry of erythrocytes: experimental validation of a new biomarker for Autism Spectrum Disorders (ASD) (AUTMARK)
C.	1	Università di Pisa	Study of nutraceutical compounds in Tuscan functional foods and in processing wastes (TOSCONUTRA)
D.	1	Università di Firenze	The effects of a chronotype- adjusted diet on weight loss and on the gut microbiota-immunity axis (ON-TIME)
E.	1	CNR-IBE	Urban water resources for improvement of agricultural and tree production: technological advancements and impact on the formation of secondary metabolites in olive (IMPROWATER)
F.	1	Dipartimento di Scienze della Vita/GSK	An integrated in vitro approach to enhance the predictive capabilities of preclinical studies on the balance of human toxicity VS “good reactogenicity” (PIA)
G.	1	Regione Toscana/Pegaso	Bioactives from plant extracts and application in nanomaterials for biomedical device-tissue interface (BASILAR) (Specific research topic, 6 months abroad, 3 months traineeship/internship)
H.	1	Regione Toscana/Pegaso	Microbiota-Immunity Axis: Functional food for the modulation of inflammation and muscle damage in gastrointestinal pathologies (AMICI) (6 months abroad)
I.	1	Regione Toscana/Pegaso	Search for new pharmacological targets to restore apoptosis of chronic lymphocytic leukemia cells (DEATH-CLL) (6 months abroad)
J.	1	Regione Toscana/Pegaso	Role of gut microbiota on mucosal and systemic immunity and inflammation in ageing (MICROIMMAGE) (6 months abroad)
K.	1	Regione Toscana/Pegaso	Effect of maternal environmental stress on fetal brain vasculature (Brain-EVA) (6 months abroad)
Positions with DM 118 scholarship			
L.	1	MUR/Università di Siena	Transizioni ambientali e digitali: Characterization of Eco-chemical Interaction between floral Nectar, Pollinators and Yeasts (CEINPY) (6 months abroad, 6 months traineeship/internship)
M.	1	MUR/ Università di Siena	Ricerche PNRR: Characterization of molecular mechanisms involved in cytotoxic T cell migration (CYT-MIG) (6 months abroad)
N.	1	MUR/ Università di Siena	Ricerche PNRR: Cardiovascular targets for novel naturally-occurring and synthetic compounds (OCTOPUS) (6 months abroad)
Positions with DM 117 scholarship			
O.	1	MUR/Vismederi s.r.l.	Development and validation of bioanalytical method for evaluation of serological and cellular assays for new emerging infectious disease and neglected viruses (VALVIR) (6 months abroad, 6 months traineeship/internship)

P.	1	MUR/Vismederi s.r.l.	Global Health and immunization; antibody titer and vaccines coverage in development countries (GLOIM) (6 months abroad, 6 months traineeship/internship)
Q.	1	MUR/Fondazione TLS	Mechanisms of SARS-CoV-2 immunosuppression mediated by the interactions of viral proteins with T lymphocytes (SARS-T) (6 months abroad, 6 months traineeship/internship)
