

New coronavirus
Ten rules of conduct

- 1) Wash your hands frequently
- 2) Avoid close contact with those with acute respiratory difficulties
- 3) Do not touch your eyes, nose and mouth with your hands
- 4) Cover your mouth and nose when sneezing
- 5) Do not take antibiotics or antiviral medication, unless prescribed by a physician
- 6) Clean surfaces with chlorine- or alcohol-based disinfectants
- 7) Use a mask only if you think you are ill or if you are assisting people who are ill
- 8) Products MADE IN CHINA and parcels from China are not dangerous
- 9) Contact the toll-free number 1500 if you have a cough or fever and returned from China less than 14 days ago.
- 10) Companion animals do not transmit the new coronavirus
