La mobilità potrà essere effettuata dopo che gli organi di governo dell’Ateneo avranno ricevuto e ratificato indicazioni più precise dal Governo sulla ripresa di qualsiasi attività di mobilità. In ogni caso, tali mobilità saranno avviate dopo adeguata consultazione della Divisione Relazioni Internazionali. In quel caso, l’assegnatario sotto elencato dovrà concordare un nuovo periodo con la struttura ospitante, non potendo iniziare le attività di traineeship in smart working.

The mobility can be carried out only after the permission of the University of Siena following the statements of the Italian Government. In any case, the mobility can be started only after consultation of the International Relations Division. In that case the assignee will have to agree a new period with the receiving organisation, as no remote activity is allowed.
