

PhD programme	Medical Biotechnologies
Coordinator	Lorenzo Leoncini (lorenzo.leoncini@unisi.it)
Department	Medical Biotechnologies
Open positions	8
of which	

	n.	Funding institution(s)	Research topic
Positions with scholarship			
A.	4	University of Siena	No research topic restriction
B.	1	Department of Medical Biotechnologies (Prof. M. Ferrari)	Specific research topic - Oral and systemic diseases. Clinical, microbiological and molecular pathways
C.	1	Department of Medical Biotechnologies (Prof.D. Medaglini)	No research topic restriction
Positions without scholarship			
D.	2	Without scholarship	No research topic restriction
Positions reserved for scholarship holders of foreign countries			
E.	1	//	No research topic restriction

Type of ranking(s)	<ul style="list-style-type: none"> • One ranking list for 8 positions with no research topic restrictions (positions A, C, D, E) • Single ranking list for 1 position with specific research topic (position B)
Documents required for evaluation (to be attached during online application)	<ul style="list-style-type: none"> • Curriculum vitae et studiorum (duly signed at the bottom with the following declaration “Hereby I declare that what reported above corresponds to the truth, according to the Decree of the President of the Italian Republic 445/2000”), indicating qualification obtained (or to be obtained by 31 October 2021) with the issuing institution and a list of publications • Research project (max. 3 pages, in English) • Reference letters, if any (not more than 2) of Italian or international university professors and/or research professionals (no letters must be uploaded, but the email address(es) of the persons be indicated during the application procedure) • Thesis abstract of <i>Laurea Magistrale/Specialistica/Vecchio ordinamento</i> or equivalent foreign degree translated into Italian, English or French (max. 1 page) • English language certification equivalent to at least level B2. <p>Eligibility of foreign degrees (to be translated into Italian, English or French) is ascertained by the selection committee in accordance with relevant regulations and international agreements on the recognition of qualifications for further studies.</p> <p>Candidates who achieved (or will achieve by 31 October 2021) the diploma di laurea at an Italian university have to specify, in their curriculum, all the data on the university path and the title of admission, in particular:</p> <ul style="list-style-type: none"> • University issuing the title • type of <i>laurea – vecchio ordinamento/specialistica/magistrale</i>; • degree course name • list of examinations with votes • date of obtaining the title and final vote or expected date of obtaining the title (by 31 October 2021). <p>Candidates who achieved (or will achieve by 31 October 2021) their degree at a foreign university (with a duration of at least four years) have to specify in their curriculum:</p> <ul style="list-style-type: none"> • University issuing the title • type of degree (min. duration four years) – <i>Bachelor’s degree/Master’s degree</i> • date of obtaining the title and final vote or expected date of obtaining the title (by 31 October 2021).

	<p>Candidates with a foreign degree have to attach to the online presentation also the following documentation:</p> <ul style="list-style-type: none"> • transcript – certification of the title with the list of exams and votes – with a translation in Italian or English • Diploma supplement (if available).
