GUIDELINES ABOUT TEACHING ACTIVITIES IN THE 2021/22 A.Y.

October 12, 2021

Considering the current epidemiological situation, the Academic Senate confirms that course and graduation exams will continue to be carried out in a mixed mode, either in-presence or at-distance, until **December 31, 2021**.

Since January 1, 2022, except radical changes in the epidemiological scenario, all course and graduation exams will take place **exclusively in presence**.

It is also confirmed that the lectures will continue to take place in mixed mode (presence and distance) until the end of the first semester.
