

Azienda USL Toscana sud est (Local Health Authority)

Italian Health Care System A short guide for foreign students

(Services offered, documents needed, how to register)

Azienda USL Toscana sud est (Local Health Authority)

The “key actors” are

-Azienda USL Toscana sud est is the Local Health Authority supplying standard medical assistance

-Azienda Ospedaliera Universitaria Senese is the Siena General Hospital providing in-patient and out-patient treatments and specialized care

-Other General Hospitals available:

Ospedale di Nottola (Montepulciano)

Ospedale di Campostaggia (Poggibonsi)

Ospedale di Abbadia San Salvatore

Azienda USL Toscana sud est (Local Health Authority)

The Italian healthcare system is funded through direct taxation and is handled at a local level by the Local Health Authority (Azienda USL)

Italian citizens are required to make a co-payment (called “ticket”), depending on their annual income, for most of the specialized visits and to purchase medicines

Azienda USL Toscana sud est (Local Health Authority)

Services offered

Emergencies and first aid

-For medical advice out of office hours (after 8 p.m. and during the weekend) you can refer to the doctor on duty (“Guardia Medica”) dialling 118 or going to the clinic (address: Via Roma 56 Siena)

-In the case of a serious emergency or if you need an ambulance, call the Emergency medical service 118

The Emergency Department at the Siena General Hospital is open 24 hours a day. A co-payment (“ticket”) may be required for clinical tests and instrumental diagnostics (x-ray, scans, etc)

Azienda USL Toscana sud est (Local Health Authority)

Azienda USL Toscana sud est (Local Health Authority)

Services offered

Family doctor (General Practitioner)

A doctor you can refer to when:

- you need general medical advice
- you need a medicine that pharmacies are allowed to sell only with a doctor's prescription (called "ricetta")
- you need to request a specialized visit or examination (blood tests, dermatologist's visit, etc.)

Family doctors are only available during their office hours (for more information visit our website www.usl7.toscana.it, *Ambulatori dei medici e pediatri di base*)

Azienda USL Toscana sud est (Local Health Authority)

Services offered

Specialized visits or examinations (i.e. blood test, oculists, dermatologists, x-rays etc.)

You must first consult your family doctor. If needed, he/she will issue the request (“impegnativa”) required for most of the treatments supplied by Azienda USL Toscana sud est.

To book visits or examinations:

- Call the Booking Service (Centro Unico di Prenotazione) 0577 767676 (office hours Monday to Friday 8-18 Saturday 8.30-13)
- Fill in the form on the website www.usl7.toscana.it
- <http://usl7.zerocoda.it/> (blood tests only)

Azienda USL Toscana sud est (Local Health Authority)

Documents needed to access the Italian
Health Care System

2. European Union students

If you possess a E-106/S1 form or E-109/S1 form (issued by the Health Authority of your home country) you have access to medical care and will be assigned a specific family doctor.

You first need to register with the Italian Health Care System. The registration is free.

Azienda USL Toscana sud est (Local Health Authority)

Documents needed to access the Italian Health Care System

1. Extra-European students

If you are in possession of a private medical insurance policy against illness and accident you can access medical care and specific treatments or examinations.

You will be asked to pay the whole cost of specialized visits, blood tests, instrumental diagnostics etc.

You have to keep all the receipts in order to ask for a reimbursement.

Azienda USL Toscana sud est (Local Health Authority)

Documents needed to access the Italian Health Care System

2. Extra-European students

You can register voluntarily with IHCS. The registration costs 149,77 Euro (if you have not received any income during the previous year).

The registration is valid for one calendar year (from the 1° of January to the 31° of December).

You have the right to choose a family doctor and access health services paying the same “ticket” as Italian citizens.
