Prigogine Award

The Prigogine Medal was established in 2004 by the University of Siena and the Wessex Institute of Technology to honour the memory of Professor Ilya Prigogine, Nobel Prize Winner for Chemistry

The Prigogine Medal is awarded annually to a leading scientist in the field of ecological systems

The 2021 Prigogine Medal will be awarded to

Prof. Simone Bastianoni

Professor of Environmental Chemistry,
Chair of the PhD School in Environmental, Geological and Polar Sciences,
Provost for Sustainability
University of Siena

Past President of the Emergy Society,
Member of the Standard Committee of the Global Footprint Network,
Member of the Scientific Board of the International Society of Ecological Modelling,
President of the Siena Alliance for Carbon Neutrality

Special Prigogine Lecture

“A Sustainability Viewpoint for a Post Covid-19 Pandemic Society”

delivered by Simone Bastianoni

University of Siena, Aula Magna Storica
7th July 2022, 15:00
