SERVIZIO CONCORSI E PROCEDIMENTI ELETTORALI

SELECTION PROCEDURE TO RECRUIT 4 ASSOCIATE PROFESSORS BY CALL FOR APPLICATIONS PURSUANT TO ART. 18 - LAW N. 240 OF 30 DECEMBER 2010 AND TITLE II OF THE REGULATION FOR THE RECRUITMENT OF FIRST AND SECOND LEVEL LECTURERS (Rectoral Decree - register no. 50583 dated 08/06/2017)

Art. 1 – ASSESSMENT PROCEDURES

DEPARTMENT OF MEDICAL BIOTECHNOLOGIES

1 POSITION **Academic recruitment field: 06/A3 – Microbiology and clinical microbiology**
Academic discipline: MED/07 – Microbiology and clinical microbiology

Assessment criteria:

Applications for the comparative selection procedure are accepted from candidates holding a PhD and a diploma of Specialization in Microbiology and Virology.

Scientific productivity will be evaluated taking into account the relevance and dissemination within the reference scientific community, the international dissemination, and the principal bibliometric parameters of the reference scientific community. The committee will evaluate the scientific production of the candidates taking into account originality, innovativeness, methodological rigour, level of scientific autonomy of the candidates and use of innovative technologies, with particular attention to those used for the study of phenomenon of bacterial resistance to antibiotics.

As part of the selection procedure, it is required to submit a maximum of 20 publications for the analytical evaluation.

Consideration will be given to: 1) participation in editorial committees of national and international journals as a member of the Editorial Board and /or reviewer; 2) participation in national or international research projects, with particular consideration to projects in the field of the emergence and diffusion of bacterial resistance to antibiotics, including experiences of international cooperation with resource-limited countries.

Candidates will be evaluated for their teaching activities specifically aimed at the scientific sector under consideration in this call, with particular consideration also to the teaching activities carried out in English.

The didactic skills will also be evaluated by inviting candidates to hold a lesson on topics covered in the Microbiology and Clinical Microbiology courses.

DEPARTMENT OF DEPARTMENT OF EDUCATION, HUMAN SCIENCES AND INTERCULTURAL COMMUNICATION

1 POSITION **Academic recruitment field: 11/C5 – History of philosophy**
Academic discipline: M-FIL/06 – History of philosophy

Assessment criteria:

In evaluating the candidate's scientific publications: a) extent to which they bear relevance to the subject areas of the M-FIL/06 academic discipline, with particular reference to authors and topics of early modern and modern philosophy; b) quality of scientific production, with reference to international research.

In evaluating qualifications other than scientific publications: a) participation in national or international research projects; b) several years' experience in teaching second cycle and single cycle degree programme courses, by preference for degree programmes in Education; c) experience in management of teaching and learning in University courses.

DEPARTMENT OF POLITICAL AND INTERNATIONAL SCIENCES

1 POSITION **Academic recruitment field: 11/A3 – Contemporary history**
Academic discipline: M-STO/04 – Contemporary history

Assessment criteria:

Teaching and scientific duties: the candidate will be expected to perform, in the degree courses of the Department of Political and International Sciences, University of Siena, teaching activities on contemporary history in its various sectors both in Italian and in English as well as carrying out tutoring activities in the disciplines of M-STO/04 also for the preparation of undergraduate and doctoral theses.

According to teaching and research topics of the Department, to the candidate is requested a scientific curriculum oriented to the themes of the political, institutional and administrative history of Contemporary Italy between Eight hundred and Twentieth centuries to show a capacity of comparison and contextualization in european and international sphere.

The Commission will issue a reasoned opinion of value on the candidate's scientific and teaching activities, based on the evaluation of publications and other qualifications.

In the evaluation of scientific publications submitted by the candidates, the Commission will meet the following criteria:

- a) quality of scientific production, calculated on the basis of research and analytical skills, methodological rigor, theoretical and systematic capacity and innovative character;*
- b) consistency with the topics of the scientific areas indicated in the notice of the Rector;*
- c) individual contribution in collaborative works;*
- d) editorial classification of the publications by publishers, journals and periodicals of national and international relevance;*
- e) adequate productivity and scientific continuity of the candidate.*

In the evaluation of the qualifications, other than scientific publications, submitted by the candidates, the Commission will meet the following parameters relating to M-STO/04:

- a) carrying out of teaching or research activities at national, foreign or international universities and research institutes, also in courses of master's degree;*
- b) participation in the college of doctoral research, with teaching and tutoring activities of thesis;*
- c) direction and/or participation in highly qualified research entities or institutions, at national or international level;*
- d) assignment of institutional and organizational positions in national or foreign universities;*
- e) direction and/or participation to editorial and/or scientific committees of scientific reviews, editorial series, publications of works, dictionaries, encyclopedias.*

The scientific and teaching capacities of the candidates will eventually be evaluated through an interview or invitation to the candidates to hold a research seminar or a lesson about the courses to be entrusted or related courses. A good English language knowledge must be verified.

Foreign language knowledge: English

Maximum number of publications to be submitted: 12 publications, including at least one monograph.

DEPARTMENT OF HISTORY AND CULTURAL HERITAGE

1 POSITION **Academic recruitment field: 10/A1 – Archaeology**
Academic discipline: L-ANT/09 - Ancient topography

Assessment criteria

The applicant is required to have skills in the analysis of long-term population dynamics, relating to rural and urban settlement, infrastructure and landscapes from the historical past. The candidate must also have specific skills in the acquisition of new survey data using both traditional and innovative technologies including field survey, remote sensing, topographic survey, computer-based data management and data analysis. National and international teaching experience is also required along with excellent knowledge of Italian and English language).

Art. 2 – REQUIREMENTS FOR ADMISSION TO THE PROCEDURE

The procedure is open to the following candidates:

- candidates who they have received a national scientific qualification for the academic recruitment field or one of the academic recruitment fields included in the same group of academic recruitment fields, and for the position advertised in this call or for higher positions, if not already employed in these higher positions;
- those who have received positive judgments for the position advertised in this call, only for the period of validity of the judgment;
- professors who are already employed in other Universities at the level of professorship corresponding to that advertised in this call;
- scholars who are permanently employed in research or teaching activities at university level outside Italy in positions which are equivalent to those advertised in this call, according to the equivalence tables defined by the Ministry of Education, Universities and Research.

The procedure is not open to anyone who, at the closing date for applications, is married to or has a degree of kinship or affinity, up to and including the fourth degree, with a professor from the Department for which the call is issued, or with the Rector, the General Manager or a member of the University Council. Neither is the procedure open to anyone who has a significant ongoing business relationship with any of the aforementioned individuals.

The procedure is not open to anyone who:

- does not enjoy civil and political rights;
- has been dismissed or released from a post with the Public Administration or for whom State employment has lapsed pursuant to Presidential Decree 3/1957.

The requirements must be met at the deadline for submission of applications. The Rector has the right, with justification, to exclude candidates from the procedure at any time for not meeting the established admission requirements.

Art. 3 - PRESENTATION OF THE APPLICATION

Applications for admission to the procedures and the documents indicated below must be lodged by certified email to rettore@pec.unisipec.it or email to concorsi@unisi.it no later than 30 days after the date of publication of the notice for this call for applications in the Official Journal of the Italian Republic (Gazzetta Ufficiale).

For applications sent by certified email, the date of application is that indicated on the receipt of reception automatically sent by the certified email provider; in the case of those sent by email, the date of application is the date that the terminal of this University receives them.

The Administration declines all responsibility for applications not received due to negligence or error of third parties. For confirmation of receipt and of the correctness of their applications, candidates may contact the Competition and Electoral Procedures Office (tel. + 39 0577 23 5058/5059/5060).

Applications must be made with the attached form (Annex A) with all fields completed.

The following documents must be included with the application:

- a signed and dated curriculum vitae containing a list of the candidate's qualifications, scientific publications and other activities. The curriculum should also contain a declaration pursuant to articles

UNIVERSITÀ
DI SIENA
1240

46 and 47 of Presidential Decree no. 445/2000 certifying the truth of all data contained therein (Annex B);

- the publications the candidate intends to submit for evaluation by the Board;
- copy of a valid identity document.

Art. 4 – EVALUATION BOARD

The Evaluation Board is appointed from candidates proposed by individual Departments and in observance of the Code of Ethics, by Rectoral Decree no later than 60 days after the deadline for applications.

The Board is composed of three first-level professors (“prima fascia” or equivalent role in the case of components from foreign universities), belonging to the academic recruitment field or to a academic discipline in the same group of academic recruitment fields. At least two members of the Board must be from outside the University of Siena.

The appointment decree is published on the official University noticeboard and on the web page dedicated to the competition procedure.

No later than 30 days after the Board's appointment, candidates can dispute the Board members, indicating their reasons. The Rector decides the dispute. The Rector's decision is promptly communicated to the candidate.

Art. 5 – SELECTION OF CANDIDATES AND PROPOSED CALL

The Board is governed by the general assessment criteria determined by the Academic Senate. The Board also observes the criteria established by the Departments and indicated above in Art. 1.

At its first meeting, the Board sets the general criteria and specific evaluation methods and procedures.

The criteria and methods are immediately published on the web page dedicated to the competition procedure.

Art. 6 - PROCESSING OF PERSONAL DATA AND PERSON RESPONSIBLE FOR THE PROCEDURE

The candidates' personal data is processed exclusively as provided for in the relevant laws and strictly for the purposes of managing this selection procedure

For the purposes envisaged by Law no. 241/7.8.1990, the Person Responsible for the Procedure of the present competition is the Head of the Competitions and Electoral Procedures Office of this university: Mrs Maria Bruni, concorsi@unisi.it – tel. + 39 0577 235058.

For all matters not explicitly mentioned in the present call, see the regulations on competitions, in particular the Regulation for Recruitment of First and Second Level Lecturers, Rector's Decree. no. 1110 dated 21 July 2014 and subsequent amendments.
